Tysen

Tempe, Arizona

Student
Age: 19
Born: April 23
Ht: 5'5"
Wt: 100 pounds

Bras: 34A
Panties: Sexy lace
Anal: When I'm in "the mood"
BJs: Love giving 'em! Swallow
Diddle: Absolutely

"I'm a very assertive person, so my boyfriend had no say in the matter when I decided that I was gonna pose for him and send the photos to *NN*," said Tysen. "But that's how I am. Like, when I'm horny, I'll just tell him, 'Fuck me!' We're both poor students and we can't afford to go out much and, anyway, there aren't many places to go when you can't legally drink. So it's movies or eat out. We'd just as soon order in and fuck, fuck, fuck. We haven't been dating all that long, so sex is still a bit of a novelty for us. We both share apartments but have our own bedrooms, but we always have to watch how much noise we–well, I–make when we're screwing."

Tysen's fantasy

"My masturbation fantasy is to be part of a big orgy with hands and tongues and dicks and pussies everywhere. I want to be sucking a cock while a girl eats me out and a guy dicks my ass, and I want to end up covered in cum."

"My absolute favorite way to screw is face down and ass up," said Tysen. "It seems to me that a guy's dick gets deeper into me that way and it feels super-great. I like for him to do slow, deep thrusts into me till his balls slap against me, then do a couple of mini-thrusts and pull back slowly. I reach down and fiddle my clit and I have orgasm after orgasm. If we're not in the mood for butt sex, I love for the guy to speed up and bang me hard and I'll most likely cum once more when I feel him cumming inside me."

SEX BEAT

To entertain and inform you, help you to better understand females and, perhaps, get laid more

It's official. Feet are not sexually appealing

With apologies to readers of *Leg Sex*, one of our sister magazines, we can report that feet are the lowest ranked of all 41 body parts in terms of sexual attractiveness. Neuroscientists at Bangor University, England, and the University of Witwatersrand, South Africa, who were studying the links between sex and the brain, declared that feet are the least appealing part of the human anatomy, on females or males.

With the genitals obviously scoring 10 out of 10 on a ratings scale, the other most erotic body parts were found to be:

On females: mouth and lips: 7.9; nape of neck: 7.5; nipples and breasts: tied at 7.3; butts: 4.5; hips: 3.5; feet: 1.

On males: mouth and lips: 7; inner thigh: 5.8; nape of the neck: 5.6; nipples: 4.8; lower back 2.8; forearm: 1; feet: 0.

Males and females over 18 were questioned in both countries. The findings were consistent between countries, and held true regardless of race, gender or sexual orientation.

If you've always thought that toe sucking is just fuckin' weird and not a bit sexual, you're in the majority.

In bed together

A recent survey revealed that men find women in pyjamas sexier than those who wear frilly lingerie to bed or those who wear nothing at all. And women would rather men wore simple boxers or underwear to bed and certainly not a sports team shirt.

What men find sexy: full PJ set: 37%; lingerie: 32%, negligee/nightgown: 27%; men's PJs, t-shirt or boxers: 22%; nothing: 16%.

What women find sexy: boxers/underwear: 35%; PJ bottoms: 31%; full PJs: 24%; onesie: 16%: football shirt: 3%.

Over 71% of the men said their partner's preference would not influence their decision as to what to wear, while only 35% of the women said the same. And 78% of the women and 70% of the men put comfort over attractiveness when deciding what to wear.

"Fapstronauts" take note!

It's claimed that watching porn can have a negative effect on your sex life according to the NoFap community on Reddit, a group of guys (mostly) and gals who are attempting to quit masturbating to online pornography.

To call attention to the problem, ProjectKnow.com, a resource site for learning about addictions of all types, came up with the following from a recent survey of over 1,500 NoFap users.

The glossary of NOFAP

Fapping: the act of masturbation.

Fapstronaut/Femstronaut: Male and female NOFAP users.

PMO: "Porn, masturbation, orgasm."

The cycle of porn use that constitutes this form of addiction.

Death Grip (Guys). Death Schlick (Gals): Overly intense stimulation during masturbation in conjunction with porn use which can compromise sexual response.

Reboot: Abstaining from porn for long enough for your brain to return to normal which can take 60–120 days.

Of NoFap users who were surveyed: 90% are straight men. 75% are single. 49% have never had sex with another person. 31% are aged 13–19. 58% are aged 20–29. 11% are aged 30 and above. 16% started before age 12. 53% started between ages 12–14

Fapstronauts who consider themselves to be addicts have very different patterns of behavior and symptoms from those who don't.

72% of the addicts and 40% of the others watch porn more than four hours a week.

42% of the addicts and 20% of the others fap two or more times a day.

40% of the addicts and 22% of the others felt ashamed about their increasingly deviant tastes in porn.

We maintain that a satisfying fap or two never hurt any guy, but the ultimate fap is when it's done for you.

Absence means more sex

A recent survey in England found that couples who spend at least one night a month apart because of business have a hotter sex life than those who share a bed every night.

A little over 67% of the couples said they have sex the night before one of them leaves on business, and again when the individual gets back. The couples who spend one to two nights apart per month have sex an average of 110 times a year, compared to those who are separated less than 12 times per year who average 56 times. NN

Age: 19
Born: September 15
Ht: 5'2"
Wt: 124 pounds
Bras: 34A
Panties: Mostly go commando
Anal: I tried that first
BJs: Mostly spit
Diddle: When I wake up

"I'm posing for the check," Lola said. "I need my own wheels. I hate having to rely on guys to take me anywhere 'cause they always expect something in return and then get pissed when they don't get it. You know what I mean. I enjoy my job and the pay's not bad, but I haven't saved very much for a car because I seem to spend a lot, no matter how good I try to be. The money from *NN* will help me to get a car of my own real soon."

"My friend from work knows I'm an exhibitionist, and she said she'd take photos that I could send in. We knew about the mag because we sell it in the store. We always check out the new issue when it arrives and talk about the girls and the guys with their big dicks. I don't care about customers buying the mag and seeing me. They're only photos and if they really want to jack off to them and imagine fucking me in all sorts of ways, then so be it. It will make it even more interesting for me to flirt with them if they mention it."

Sex with Lola
"I like slow sex in lots of positions, and I'll probably cum twice. I love doggie style when it leads to butt sex. I can cum again that way if the guy doesn't jizz first."

Triss

Age: 27
Born: June 14
Ht: 5'5"
Wt: 117 pounds
Bras: 34B
Panties: Usually see-through
Anal: I like it a lot
BJs: Spit if the cum's too salty
Diddle: Rarely these days

"I don't have a bloke in my life at present, but I can easily get some rumpy-pumpy (sex) when I'm randy," said Triss. "See, I work with students and, obviously, the guys are randy all the time. So, if one of them gets my motor running, I let him know that I'm 'available.' The guys are no more looking for a relationship than I am, so we can get together and shag ourselves silly once, twice or even three times, then call it quits without regrets. I'm up for a twat-to-twat session now and again, too."

Triss' fantasy
"I'd love to be the center of attention for two men and be DPed. That must be the ultimate shag. But I can't find one guy who's willing to try it, much less two. I guess the thought of two cocks being so close together puts them off."

"I was happy to let my boyfriend take these photos because it was sexy fun, but it took him ages to talk me into mailing them off to the mag," said Febe. "I'm not shy, but I wasn't sure that I wanted to show my twat and fanny and all to the whole, wide world. I'd *die* if, in the future, some bloke comes up to me and says, 'I saw you in *NN*. You have an awesome twat.' But my boyfriend can't wait to see me in the mag. He's promised that he won't show my photos to any of his mates or even my girlfriends. I hope I can trust him."

"None of my friends would believe that I actually did this."

Shagging Febe
"I like having my twat licked till I cum, then I like to be on top when we shag and get it from behind as well. But I can only cum again when my bloke is on top. I shiver and shake when I cum and make wee noises, but I'm too shy to be loud."

Alsa

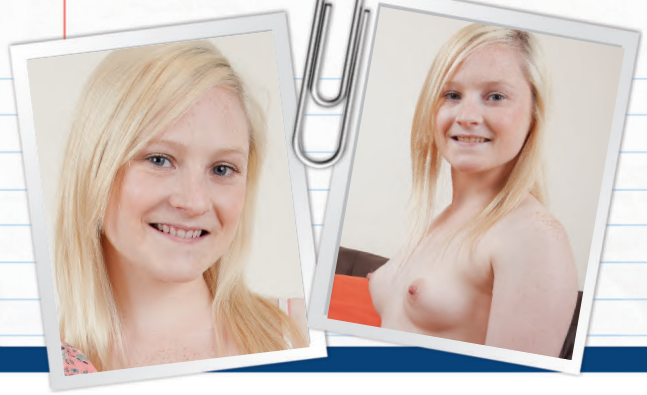
Johannesburg, South Africa

Airline ticket agent
Age: 23
Born: July 25
Ht: 5'4"
Wt: 117 pounds
Bras: 34C
Panties: Bright cotton
Anal: Want to try it soon
BJs: Swallow some
Diddle: 2-3 nights a week

"We get *NN* in South Africa, but it's always a few months old," said Alsa. "Do you get South African girls sending in photos? I've never seen one. My boyfriend's in the military and we don't see each other very often. I send him the mags to keep him entertained and busy. I decided to pose and send in photos and not tell him so he'll be surprised when he sees me. I don't care if the guys he's with see the photos; he's the one who gets to fok (fuck) me. My best friend took the photos. I wanted to take some of her to send in, too–she's really cute–but she wouldn't go for it. I hope that the readers like what I'm showing them."

"My boyfriend has a four-week break due to him early next year (2014). I'm taking him to Singapore where we'll be together 24/7 having sex, eating, drinking and shopping," said Alsa. "So I'll be having lots of real sex at about the same time as guys who are checking out my photos in *NN* are imagining having sex with me in all kinds of ways. That'll be something kinky for me to think about."

Sex with Alsa
"I like to change positions a few times till I cum. Every way feels super. Sometimes I cum twice. I'm loud and twitchy when I do and my pussy gets embarrassingly wet."



Sophia

Swindon, England

Age: 22
Born: June 28
Ht: 5’3”
Wt: 110 pounds

Bras: 32A
Panties: Sexy cotton
Anal: Not yet
BJs: Spit, sorry
Diddle: A few nights a week

"I was a bit worried about posing in my flat because, as my boyfriend pointed out, my skin's just about the same color as the walls. But it all worked out" said Sophia. "I saw a *NN* in a drawer in the lunch room at work. I looked every day to see if it was gone, and after a week I took it home. My bloke came over that night and we enjoyed looking at it. I got the idea of sending in photos because I love seeing blokes checking me out and I always dress sexy and flirt and tease a lot when I'm out and about. This is taking it one huge step further. Thinking about thousands of men wanking over my pics is thrilling and it has me diddling myself a lot before I've even seen the mag."

"I'm not shy when it comes to sex, either," said Sophia. "I've been known to give blow jobs in the back of a cinema, and I've done the same–and shagged–in loos (bathrooms) in pubs. And I love shagging in parks at night or during the day. The idea that we might get caught is a big turn-on for me. I've often offered my boyfriend a blow job when we're on the train going to or from the city (London), but he's always too nervous to take me up on the offer."

Shagging Sophia
"I cum easily once we start shagging, no matter what way we're doing it. I often have another orgasm if my bloke can hold off shooting his load in me for a few minutes."

Briella

"Somewhere," Georgia

In the army
Age: 23
Born: March 1
Ht: 5'7"
Wt: 135 lbs.

Bras: 34A
Panties: Thongs
Anal: For sure
BJs: Always swallow
Diddle: Rarely

NN staffers can't recall a girl coming back for a second time to bang one of our studs. So Briella now has an unusual claim to fame. She originally appeared in our November '11 issue, when she visited Miami on R&R from the military base in Texas that she was stationed at. "That experience was awesome and reliving it kept me masturbating for ages when I could find a place and time to do it," said Briella. "Living in a barracks doesn't give you much opportunity to have 'alone' time."

Briella decided that a second session with a stud would be fun. Now based in Georgia, she again visited Miami on an R&R break and got down to action with Enzo. "Although my time with Enzo was short, it was awesome," she said. "But I like to have a whole night to spend with a guy when we're gonna fuck. I like to suck and fuck and rest and repeat and repeat again all night long till we're lying together too stuffed to move any more. And if I'm walking funny for a while afterwards, that's okay, too."

What's next for Briella?

"That's easy. I want a threesome with two guys so they can take turns doing me to get warmed up and then DP me. That must be the ultimate fuck. You could actually add another girl so I could eat pussy at the same time."

Alina

Manhattan, New York

Clothing store clerk
Age: 18
Born: September 8
Ht: 5'7"
Wt: 108 pounds

Bras: 32A
Panties: Sexy thongs
Anal: Play but no sex yet
BJs: Swallow if it tastes okay
Diddle: Too much

Alina's family emigrated from Shanghai, China, when she was seven. "Now," she said, "I feel totally American. I mean, I was even a cheerleader in high school. I studied dance for 10 years, too, so I can be very flexible in bed when I want to be. Guys love that." So, what's with Alina's tattoo? "It's a long story that would bore *NN* readers, I'm sure," she said. "Guys who get to see the whole thing love it. When I'm having sex, the pistol's usually pointing at the guy's dick, so I warn him that it's gonna blow his dick off if he's not fucking me good. I know what I like and what I need to get off, and I expect a guy to want to satisfy me."

Sex with Alina
"I cum during oral sex, but not always when I'm fucking. I like slow sex rather than quickies. My favorite positions are reverse cowgirl and lazy doggie. I'm loud when I cum, I squirm a lot and my pussy gushes. Then I want to go again."

The present

I gave my wife two books for her birthday.

Curious, she asked, "Are you trying to tell me I don't read enough?"

"No," I replied. "I'm telling you that your cooking is awful and you're a terrible fuck!"

The ring!

According to *The Hobbit*, Gollum was once a normal man. The biggest mistake he made was putting on that ring which drained him of his youth, vitality, and energy.

I got one of those, too, when I got married.

The side effect

Of all the side effects my ADD gives me, pissing my pants is the worst.

I still have control over my bladder; I just get bored halfway through a piss and put my cock away.

In demand!

My divorce is almost final, so soon I'll be free and single again.

I shouldn't have any trouble finding a new woman, though. If I've learned anything from the Internet, it's that hot chicks really go for over-weight, balding, older guys like me.

Ten years

After 10 years of living with her boyfriend, my sister finally announced that they're going to get married.

"So, what made you change your mind?" I asked her.

"I'm sick of giving him blow jobs!"

Best and worst

The best thing about getting two wisdom teeth extracted was that the dentist put me to sleep before he started.

The worst thing was arriving home and discovering that my boxers were on backwards.

"When you said you've got a hairy pussy, I figured that you were referring to your cat!"

It's quicky time!

• There's nothing worse than getting hair in your mouth during foreplay with a girl you've just hooked up with...

especially when you're only sucking her nipples.

• Last night, my blind date asked what's the most I've ever spent on a girl.

"That'd be $500 on a hooker in Las Vegas," I replied.

• How the hell did Tokyo get awarded the Paralympics for 2020?

They should only go to a country where they can pronounce it properly.

• "Your erections aren't as firm as they used to be," my wife sneered.

"Neither are your tits, gut or ass. Three one to me, I think," I replied.

• Twerking and selfie have been added to the dictionary.

Future and optimism have been removed.

• Just as I was thinking about how technology has completely ruined the art of conversation, my blind date looked up at me and smiled.

"This is a fantastic restaurant," she said. "The WiFi signal is awesome!"

• I recently took up my first ever hobby; brewing my own beer.

I enjoy it so much that now I actually understand why women love ironing, cooking and cleaning.

• "Look son, every man's nervous the first time he does it with a woman, but we all go through with it. Be strong.

Just go up to that nice, young lady...

and ask her for directions."

• What's the worst thing you can do after sex?

A prison sentence.

• I went down on one knee in front of my girlfriend last night.

She'd just found out I've been doing her sister, and she kneed me in the balls.

• Those PETA people are really fucking crazy!

Don't they realize we haven't even mastered the ethical treatment of humans yet.

• Internet dating sites suck because they match you up with people who share your interests.

I don't want to go out with a total, fucking weirdo!

• My wife found out that I've been sleeping with her best friend, so she decided to punish me...

by sleeping with me as well.

• If your woman tells you, "Just do whatever you want."

Don't fucking do whatever you want!

• Men cheat because men are assholes, while women cheat because men

Lia

East Tampa, Florida

Mass communications student	**Bras:** 32B
Age: 19	**Panties:** Cotton or none
Born: October 24	**Anal:** It's great
Ht: 5'3"	**BJs:** Swallow of course
Wt: 113 pounds	**Diddle:** Not very often

"I'm putting a lot of effort into my studies, even though I'm not sure what I want to major in" said Lia. "I'm sharing an off-campus, university apartment with three other girls. I have my own room, but when my guy visits and stays over, we're very aware of the fact that the other girls are nearby, so I can't let myself go when I'm cumming. That's a bummer. I'm kinda new at fucking, but I'm studying it really hard so I can soon earn an A."

"I've had lezzie sex a few times," admitted Lia. "My boyfriend will find out about that when he sees the mag. I loved licking and fingering the other girl's pussy and getting her off and having the same done to me. Those orgasms felt different to when I cum when I'm fucking my guy. Not better, just different. I'd really like to have a threesome with my guy and another girl 'cause I'll love to watch him doing her and have him screwing me while I'm eating her out. I actually have a girl in mind. We haven't fooled around, but I know that she's up for most anything when it comes to sex. She thinks my guy's hot and I know he thinks that she's hot, too. I plan to show her my pics in the mag and see what happens. I know my boyfriend would be up for it."

Sex with Lia
"The only way I cum —sometimes twice—is when I'm riding my guy's dick and one of us is rubbing my clit. But I like other positions, too, especially doggie style if I'm in the mood for butt sex. He does my butt slowly, then speeds up when he's cumming. It feels so different to regular sex."

“I hope that guys enjoy doing me in their fantasy fucks.”

MYSTIC LONDON, ENGLAND AGE 23

YES BABE

Mystic was born and raised in Sao Paulo, Brazil, but has lived in London for 14 years. This design company clerk is 5'6", weighs 127 pounds, wears 34B bras–when she "has" to wear one–and likes colorful, cotton knickers. She can deep throat when giving blow jobs and loves "bum sex as much as twat sex." Has she ever considered shaving off her pubes? "No, I haven't," she said. "If some bloke gets me naked and doesn't like my hairy twat, I'll tell him to fuck off right away. But that hasn't happened yet."

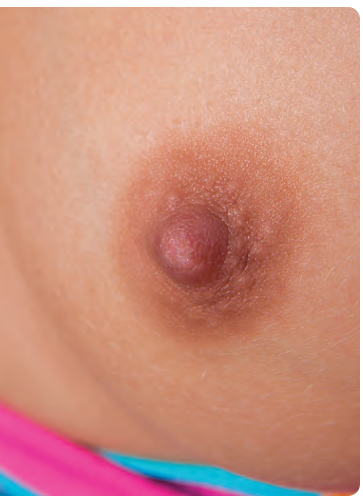
"I'm not shy about letting a bloke know that I want to shag him if he appeals to me," said Mystic. "Some blokes seem shocked that a girl will tell them right out that she wants cock but, of course they soon recover. I'm into one-night-stands as long as the bloke's willing to come home with me. (I share a flat with two other Iranian girls but I have my own bedroom.) I expect the bloke to stay all night so we can shag a few times and get oral and stuff. I'll probably offer him my bum the second or third time."

“If you want to shag me, you’d better be ready to go all night long.”

Angelina

Aylesbury, England

Business admin. student
Age: 19
Born: March 24
Ht: 5'4"
Wt: 120 pounds
Bras: 34C
Panties: Colorful cotton
Anal: Not interested…yet
BJs: Swallow some
Diddle: About twice a week



"I'd never exposed my twat outside before I posed," said Angelina. "My folks were off on holiday and I had the place to myself. So, naturally, I had my boyfriend come stay for a couple of nights. It was fabulous shagging him in my own bed! He talked me into letting him take the photos and I thought they'd be just for us to enjoy but, about two weeks later, when I was over at his flat, he brought up the idea of sending them to *NN* to get a check. I thought about it for all of 10 seconds before agreeing to do it."

Bonking Angelina

"I was a late starter at sex, so I'm not too experienced. The only way I can cum is with my man on top of me and it doesn't always happen then. I enjoy doggie style because I feel really slutty and his willy feels super inside me. When I do cum, I make little noises and have the shivers for ages."

Jess

Surrey, Canada

Communications student
Age: 23
Born: March 21
Ht: 5'5"
Wt: 128 pounds
Bras: 34D
Panties: Sexy lace
Anal: Saving it for Mr. Right
BJs: Swallow every drop
Diddle: Regularly

"I love my breasts and I go for guys who like them, too," said Jess. "I know they're not huge, but I can get awesome cleavage when I dress up to go out, and that's the main thing. My nipples are super-sensitive. I found that out when I first got into masturbating years ago. I soon discovered that if I teased one of my nipples with one hand while I was teasing my clit with the other, my orgasms were bigger and lasted longer. Then, later, when I got into sex, I found that my orgasms are better when a guy is sucking a nipple while we're screwing."

Screwing Jess
"Obviously, I love to be on top so the guy can suck my nipples. That's how I like to cum. But I love being pounded in either the missionary way or from the rear, and I can cum again if the guy can keep fucking without jizzing in me."

Jenny

FORT WAYNE, INDIANA

Age 45

Cougarlicious

Jenny is a customer service agent for a trucking company. She is 5'5", weighs 125 pounds, wears 34D bras and prefers thongs. Her birthday is April 28. Jenny has two kids, so technically she's a MILF but, to us, she's fuckin' cougarlicious! Jenny said that it's only in the last couple of years that she's developed her sexuality. These days she's exploring new sex-related activities and is enjoying fucking more than she ever did in her teens, 20s or even 30s. That's probably because now, she's a regular swinger.

"What has going to swingers' clubs and house parties meant to me? Pretty much everything," said Jenny. "I mean, I've gone from only having three sex partners till I was in my (very) late 30s to probably a couple of dozen guys now–plus some women. I've had two guys taking turns to fuck me. I've had guys fucking my ass (love that!) while I'm eating pussy and I've had gals eating me out while I'm blowing a guy. I really enjoy getting it on with other women, but I always want to end up full of cock."

Born: September 9

Anal: A lot
BJs: Swallow
Diddle: Not much

Kevin C., a 30-year-old, single Brit who lives in London, is a long-time *NN* subscriber who visits Moscow every month or so on business, with each visit lasting about a week. The company he works for has a room permanently reserved at the hotel where Julia works and, as these photos show, Kevin and Julia have a thing going. "We started flirting on my second visit, I think," said Kevin. "My Russian is getting better all the time, as is her English. On my fourth visit I took her to dinner and we ended up back in her flat shagging all night long. That was about a year ago. When I talked to Julia about *NN*, she agreed to pose for me. I'll give her the money to spend when she visits me in London early in 2014. Her personality is like her body…awesome! We're making plans to be together."

Shagging Julia

"She's very adventurous in bed and she likes to shag again and again till we're stuffed," said Kevin. "She's loud when she cums, and sometimes she bites or scratches me. I introduced her to bum sex, and now she's always wanting it."

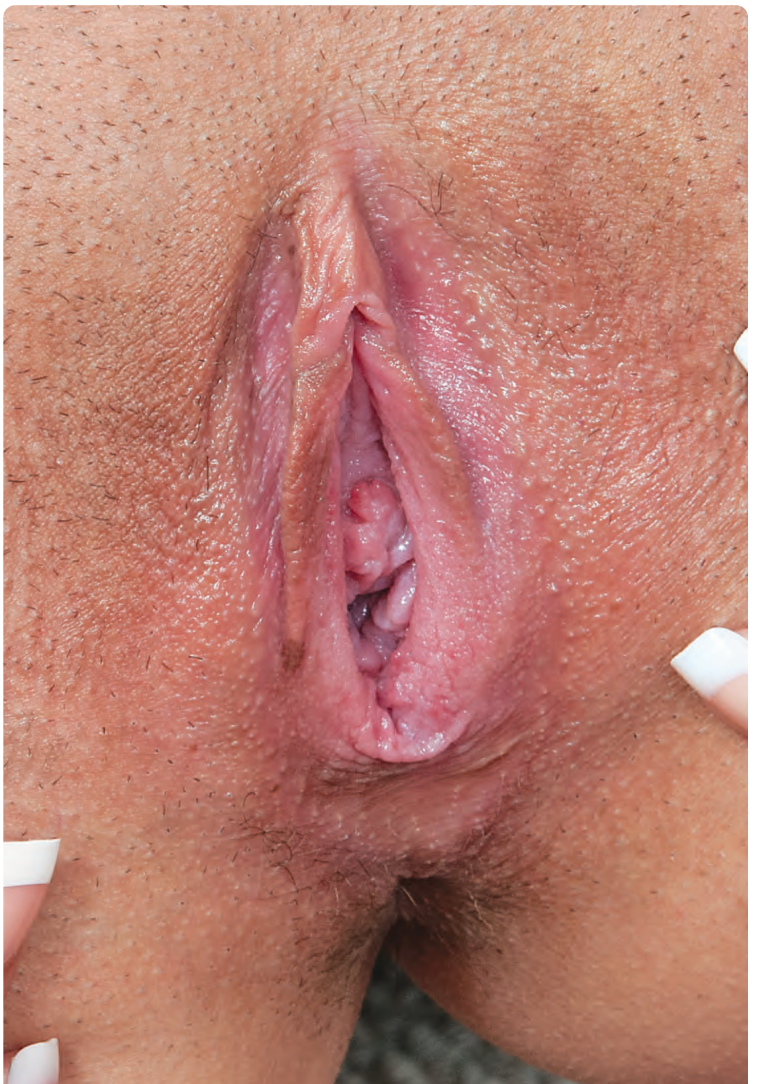
Mae

Providence, Rhode Island

Online student
Age: 20
Born: June 11
Ht: 5'1"
Wt: 96 pounds
Bras: 32B
Panties: Cheeksters brand
Anal: Really enjoy it
BJs: Usually swallow
Diddle: Sure

Mae fucked a stud in our November '12 issue when she was in Miami on Spring Break. Back then, she said, "I'm really into anal sex. I gave up my butthole to a guy way before I gave up my pussy. Sometimes I almost have an orgasm during anal, and I want to fuck a big-dicked guy to feel a huge cock in my ass, and see if it will make me cum." She got it on with Al and, "I had two orgasms while Al was fucking my pussy and the biggest one of the day when he was fucking my butt. It was totally awesome! Mae now has a new guy in her life and, once she felt secure about showing him the mag, he wanted to take photos and send them in. "My new guy loves anal and, yes, he makes me cum that way," said Mae. "I can't wait to see myself again."

“I’d love to fuck a much older guy.”



Screwing Mae
"Lick my clit till I cum, then I'll blow you. You can cum if you want or start to do me. I like to be on top and have my nips played with, but all positions work for me. If you can last, I'll probably cum twice, then we can go to doggie style so you can do my ass till we both cum."

Guy Jokes
continued from page 54

are assholes.

• My wife told me, "I'm going to see the doctor. I think I'm suffering from water retention."

It's more like retaining pizza, cake, chocolate, ice-cream, sodas, cookies....

• I've never told anyone whether I want to be buried or cremated.

I want it to be a surprise.

• A suggested rule for Facebook.

If I meet you, and you look nothing like your profile picture, you must keep buying me drinks until you do!

• My girlfriend and I have reached that stage in our relationship where her saying, "give it to me" no longer refers to my cock but to my credit card.

• My sex life is so boring and frustrating that I faked an orgasm last night.

Wouldn't have been so bad, but I was jacking off.

• I was having a drink in a bar last night with a slutty blonde.

"So, where do you work?" I asked.

"Just around the corner," she replied.

"Oooh; like in a supermarket or something?"

"This is the first time you've hooked up with a prostitute, isn't it, babe?"

• I just realized I'm getting old! I got on the lift, pressed the # 6 button and soon arrived at the 6th floor. But I couldn't leave.

Not while one of my favorite songs was still playing!

• I've just visited the greatest dominatrix ever.

"Beat me! Humiliate me! Piss on me! Do whatever you want to make me feel small and insignificant," I begged.

"No!" she said.

• If they're totally ignoring you, you'd be surprised how quickly the salesmen at a DIY store come to assist you when you try and start a chain saw.

• I've fucked over 100 hot women!

They just don't know about it.

Dream job

Just think...the dream job: only work when you want to; as much sex as you like with different people; lots of cash and loads of drugs!

So why are whores always so fucking miserable?

Think first!

Last night, I caught my wife giving our six-month-old baby a sip of whiskey to make him go to sleep.

"You can't do that!" I growled.

"Why not?" she asked.

"Because that's the good stuff," I replied. "Give him your vodka instead."

The question

"Babe? Does this dress make my butt look big?" asked my wife.

I knew it was going to be a dangerous situation, so I decided to play it safe. I raced down to our local bikers' bar and punched the meanest dude in the face.

Anticipation!

A shave, a shower, a fresh, pressed shirt, polished shoes, a suit, my best aftershave and even breath mints.

It may only have been for a prostate exam, but after 20 years of marriage it was going to be the most action I'd seen in a while, so I thought I'd better make an effort.

Blonde joke

A girl I was talking to at the bar last night said, "Most guys think I'm stupid because I'm blonde."

"I don't buy into the dumb blonde thing," I said. "Just look at Marilyn Monroe."

"Why?" she said, looking around. "Where is she?"

She wants, he wants

When my woman wants sex, it's because I'm the sexiest, horniest bastard on earth and she loves me and wants me.

When I want sex, I'm a depraved asshole from the depths of Hell, and I should stop pestering her.

CPR videos

About two-thirds of the instructional CPR videos on YouTube are incorrect, but don't be concerned about it.

If you're having a heart attack and people are trawling YouTube for CPR instructions, you're fucked anyway!

Justifiable

My wife just called me in a panic after she found nine missed calls from me on her cell phone when she got out of her doctor's appointment.

I told her not to worry because I finally found the TV remote down the back of the sofa. NN

"Some of the guys at work were talking about the hot babes in *NN*, so I asked to see some issues," Sofie said. "They were a bit surprised, but we've had conversations about sexy-looking girls in the restaurant before so, I guess, they think I'm bi-sexual. They'd be right. Anyway, I took the mags home to check them out and had a great time with some of the girls–if you know what I mean. It didn't take me long to decide that I wanted to fuck a stud and feel a bigger than normal cock in my pussy. So I made it happen."

"Am I worried about the guys at work seeing me in the mag. No, they're just photos and, besides, I'd love to screw with them about it and see them squirm," said Sofie. "Doing Jeremy was awesome! It was definitely the best sex I've ever had. Not just because his dick totally stuffed me till I thought I might burst, but because he knew what he was doing and he really wanted me to enjoy it and cum. A lot of the guys I've slept with didn't give a shit about that. The two orgasms I had were incredible!"

Sofie's wildest sex
"I fucked in a pickup truck at a gas station. I sat sideways on the seat, and the guy stood in front of me. His friend was changing the air filter, and other people were around. I came and almost choked trying not to make any noise."
